Dear Parents,

Thank you for exploring KEP for your child's preschool experience. We are excited that you are considering a Christian education and an **accredited program** for your child. KEP is committed to coming alongside you to provide a Christian education which encourages your child's spiritual, physical, social, emotional, and academic growth.

While the cost to operate Kids Express Preschool has continued to increase as does the cost of living, the KEP Leadership Team works diligently to be fiscally responsible. Limited **Scholarships are available!** Enclosed you will find the tuition schedule and payment options.

Enroll soon as we don't want you to miss out on your seat at KEP!

Why choose KEP?

1. **2 ½ hours of preschool at a low cost per day (\$12.30)** gives your child the skills for being successful in Kindergarten.
2. Two, three, and four day classrooms available.
3. Convenient choices for drop off—car line where we take the child out of your car for you.
4. Extended day—lunch bunch time 'til 1:00 PM available.
5. Special events throughout the year—Thanksgiving Feast, Back to School Night, Double Tree Activities, school year and summer camps, etc.
6. Grace Church events—Harvest Party, Family Movie Night, Awana.
7. Classroom environment promotes growth spiritually, physically, socially, emotionally, and cognitively.
8. Strong emphasis on intentional play, centers and activities to promote learning.
9. Teachers who love children and are state certified/degreed and continue in professional development yearly in Early Childhood education with minimal turnover.
10. Fulltime Assistants assigned to each classroom, building security for your child.
11. Curriculum is designed to align with kindergarten entrance requirements for any public school but especially Lampeter-Strasburg and Penn Manor, as we work closely with these districts. Curriculum is designed to promote growth in all areas of development.
12. Our program is Accredited with Association of Christian Schools International. This means that we completed a self study, a team of other Early Educators came and observed, dug into our files, etc, and reported that we are a sound institution and have met the standards set forth by NAEYC and ACSI. We opened ourselves up for this critic which helps us to grow as a preschool, staff, and in our program.
13. Opportunity for children with Autism to participate with a one to one assistant.

Return your application and the \$55 registration fee per student or \$75 per family to be enrolled for the 202-2021 school year. The registration fee is in ADDITION to tuition.

****** Students who withdraw from KEP after July 31st will be charged \$125******
